

Pranjal Vyas

Student at Jain (Deemed-to-be University) 2024-28
Bengaluru, Karnataka, India | pranjalvyas2024@gmail.com | [LinkedIn](#) | [GitHub: pranjalvyas17](#)

SUMMARY

Motivated Computer Science undergraduate specializing in Blockchain Technology at Jain (Deemed-to-be University). Demonstrated leadership as Club Lead of the Crypto Collaborative Cell, driving community growth and blockchain awareness. Passionate about distributed systems, decentralized applications, and scalable software engineering. Seeking software engineering internship opportunities to apply technical and leadership skills at world-class organizations.

EDUCATION

Jain (Deemed-to-be University)

Bengaluru, Karnataka, India

Bachelor of Technology – Computer Science with Blockchain Technology Aug 2024 – Aug 2028

- Relevant Coursework: Data Structures & Algorithms, Blockchain Fundamentals, Cryptography, Distributed Systems, Object-Oriented Programming, Database Management Systems ect.
 - CGPA/SGPA: 8.00 (most recent)
-

EXPERIENCE

Crypto Collaborative Cell

Jain (Deemed-to-be University)

Club Lead

Aug 2024 – Present

- Leading a student-run blockchain and Web3 club, coordinating a team of (35) members across technical workshops, hackathons, and speaker sessions focused on distributed ledger technologies.
- Organized and managed end-to-end planning of blockchain events, increasing club membership by 120% within the first academic year.
- Facilitated hands-on workshops on smart contract development using Solidity and Ethereum testnets, enabling members to build and deploy decentralized applications (dApps).
- Established partnerships with (industry contacts / external organizations) to bring guest lectures and real-world blockchain use cases to the university community.

Tech Council

Jain (Deemed-to-be University)

Core Member

Sep 2025 -- Present

- Facilitated many technical events and hackathons as a part of university's core tech committee.
 - Organized and coordinated University's Pan India Hackathon "INCEPTRIX" as Core Organizing Committee.
 - Actively Participating and coordinating various technical events in the University.
-

PROJECTS

Portfolio Website: <https://pranjal-portfolio-website.vercel.app/>

A modern and responsive personal portfolio website built with React.js, featuring interactive UI, skill cards, and project showcases to highlight my work in web development, Python, and blockchain.

Internskill: <https://pranjalvyas17.github.io/INTERNSKILL/>

Working on a Virtual Internship Portal with skill tracking and incentives system using Blockchain.

TECHNICAL SKILLS

Languages: Python, HTML, CSS, JavaScript (Basics)

Blockchain: Ethereum, Solidity, Smart Contracts, MetaMask

Frameworks & Libraries: React.js, Node.js

Developer Tools: Git, GitHub, VS Code, Google Cloud Platform (GCP)

Concepts: Data Structures & Algorithms(Basics), Distributed Systems, Cryptography, OOPs

ACHIEVEMENTS & CERTIFICATIONS

Club Lead, Crypto Collaborative Cell

Selected to lead the university's blockchain club out of (8) applicants.

Certification: Blockchain Beyond the Basics, Networking Foundations, Algorithmic Thinking with Python ect. – LinkedIn Learning.

LEADERSHIP & ACTIVITIES

- **Event Planning & Management:** Planned and executed (6) technical and community events, managing logistics, speaker coordination, and promotion for audiences of (200+) students.
- **Core member of University's Tech Council** playing a vital role in coordinating large scale technical events hosted by the College.
- **Actively exploring various technical events and summits** (Google DevFest, IBW2025, Indian Manufacturing Show ect.) and seeking opportunities to make connections and learn new technologies.
- **Hackathon Participation:** Acquired 4th Position in the Ideathon organized by the University and won a prize of 8k.
- **Won many technical events** organized by various clubs and committee in the College.
